

Welcome Back. The first week of school is always an exciting time. New students, new instructors, and new classes all can get the juices flowing. LHSKC is no different in that regard. We, too, have a “new” feel in the hallways which creates an environment of positivity. Most importantly we have a belief in our theme from 2nd Corinthians 5:17“**The new creation has come and the old is gone.**” Because Christ has released us from the bondage of sin we can live in the contentment of a new life. A life in Christ makes all the difference in the world. A difference that we should express each and every day to one another as we reflect His love.

Two new welcomes—Welcome **Ms. Casey Franklin** - our new industrial arts teacher. Casey is a trained architect who is in the final stages of her doctoral studies at Cornell University in New Haven, Ct. She will be instructing our first ever class in this field. We are fortunate to have someone with her expertise begin our program at LHS.

Welcome **Ms. Erica Jacobi** who is teaching our yearbook class this year. Erica is a KU graduate in the area of graphic art and design. She works as an independent contractor in the greater KC area and has previously completed some logo work for both Calvary and Lutheran High.

Important dates to remember:

First Booster Meeting of the School Year – Thursday, August 24th at 5:30 p.m.

Back to School Night—Wednesday, August 30th from 7-8:30 p.m. marks the time for parents to visit Lutheran High and walk through their child’s schedule. Parents will have an opportunity to hear each teacher make a brief presentation and then shuffle on to the next class. At the end of the schedule we will provide some cookies and coffee for fellowship. This is an excellent opportunity to meet other parents, connect with teachers, and better understand the education each child is receiving at LHS.

LHS Golf Outing—Saturday, October 7th marks the date for a recurring event, our golf outing. The Karl Birnstein Memorial Golf Tournament. Of course, this is in honor of our departed friend, Karl Birnstein, who dedicated himself to the teaching ministry in Lutheran secondary schools. **NEW LOCATION!** Come out and enjoy a round of golf at **Sycamore Ridge Golf Course in Spring Hill, Ks.** There are many prizes to be won, much fun and fellowship to enjoy, and dollars to be raised for student scholarships. Our goal is to reach 100 golfers which means we need 25 foursomes. This is a four person scramble event so you need not be a great golfer to participate. Look for the Flyer in your mail soon.
