

Preparing lives for today, tomorrow, and eternity!

August 2017

Dear Friends of Lutheran High School,

Welcome back to The Lutheran High School of Kansas City and this year's theme . . . **"Therefore if anyone is in Christ he is a new creation. The old is gone, the new has come."** 2nd Corinthians 5:17. I am proud to announce that as we have opened up another room in our south wing featuring industrial shop classes. We have partnered with Metro Homeschool Robotics (MHR) in order to utilize their equipment during our school hours. MHR then runs robotics opportunities for students after school hours. We praise God for His grace and abundance as He brings us more opportunities to serve our student body. However, as more students continue to seek the opportunity to attend LHSKC, the need for scholarship funding continues to grow as well.

Thank you for your previous and continued support of the Lutheran High School of Kansas City. Your support in the area of time, treasures, and talents has allowed LHSKC to grow and prosper. We hope to grant the wish of every family seeking to send a child to LHS. Granting these wishes is the mission of the **Sponsor Our Students** (SOS) Program.

Each family at LHS is required to pay tuition. However, not every family has the financial ability to meet all the tuition obligations. This is where the **Sponsor Our Students** program becomes essential. The program assists families who have demonstrated financial need.

I am writing you today to ask you to prayerfully consider a gift for the **SOS** Program. The enclosed brochure will give you added insight into how the program works. The decision to deny a young person an opportunity to grow in Christ because of lack of funding is a difficult one. I pray I never have to make that decision. Please find enclosed an opportunity to contribute to this important program.

As I enter my sixth campaign at LHSKC, I continue to be enthusiastic about serving a Kansas City Christian community that values keeping faith in our youth. As we continue to expand our programs to serve more students, we look to our community to assist us in making our expansion dreams a reality. Please consider assisting our efforts to **"Train up a child in the way he should go; even when he is old he will not depart from it."** Proverbs 22:6

In His Service,

A handwritten signature in black ink, appearing to read "Cary Stelmachowicz".
