

Lutheran High School Activity Program Funding (APF)

Please fill out the reverse side and return to the office today! You may change your mind on participation at any time.

The overall goal of the program is to provide students with a well-funded program of sports and activities. Each student involved is asked to participate with minimal financial impact on the family.

- 1) A participation fee is necessary for a student to be a part of a sport or activity.
- 2) The maximum for each student regardless of the number activities involved is \$200.
- 3) The fees will be **due before** the first competition of the season (Sports/Academic team) **or one week before** the performance (Drama).
- 4) LHS will help student/family reach out to friends and family to request financial support for this fee. We ask each student/family to give us addresses of TEN (or more) people in order for us to send out letters. **Please submit names of those you believe will send in monies on your behalf!** We do not reuse this contact information for other mailings.
- 5) We ask that each student/family participate in the solicitation of donations for our programs. Monies received in your student's name will apply to your total fee. ANY fees not covered through donations will be due around mid-season (ie: A boy soccer player sends letters and receives \$75 through the request. In early September, the family will be notified of the \$25 balance due and payment will be expected by month end.)
- 6) Please send names and addresses **BY THE FIRST WEEK OF PRACTICE** (turn in at the parent/coaches meeting or email list to ahinrichs@lhskc.com). Solicitation letters will be sent by the first week of competition so monies can be received by early September.
- 7) A family may wish to pay the entire fee and not send letters. **HOWEVER, I AM ASKING FOR FULL PARTICIPATION BECAUSE THE PROGRAM HAS BROUGHT IN OVER \$18,000 FOR OUR PROGRAMS!**
